## THE MCKITTRICK FAMILY

Enjoy Times Vol.28 July - Aug 2017

Dear Pastor, church, & praying friends,

Greetings in the precious name of the Lord Jesus Christ. We thank God upon every remembrance of you and are so thankful to be here on the field in Tokyo ministering to those who wear the uniform and their families.

July and August were wonderful months and seemed to fly by! We took a short trip back to Virginia to keep Haruna's visa in an active status. We also were there to let our family and friends meet little Ms. Phebe! It was a lot of fun to see our family and friends again, first time in three years!

While home in VA, we were able to meet our new pastor, Brent Strouf, and his family. Pastor Jerry Gibson retired after 43 years of faithful service as pastor of Gethsemane Baptist Church. He is a wonderful man of God and one of my heroes! I was also very happy to have a lunch with Pastor Strouf. I so appreciate his Christ-like spirit and believe he is the right man of God to further the ministries there in Radford, VA.

Back here in Japan, on the first Sunday in August, I had the privilege to lead an Air Force spouse to Christ. Her husband got saved back in May and we had been praying for her salvation. She and her husband came to my office after the morning service and I shared with her the Roman's Road of salvation. She trusted Christ and was baptized the following Sunday. To God be the glory! She told me she had grown up in California as a non-practicing Catholic, and later she had studied some with Jehovah's Witnesses but always felt like they were false. But when she began coming to Yokota Baptist Church, she knew she was in the right place. Folks, that's the dear Holy Spirit, the Convincer, doing His work! Amen! She and her husband are now saved and baptized and faithfully attending church and growing in grace. It is fun to watch the Lord do His work and add fruit to your account!

Please continue to pray for your service men and women in this area of the globe. This past week, North Korea fired a missile over the northern island of Japan. Not good! The local Japanese news agency reported that Yokota Air Base had a base exercise setting up a Patriot Defense Missile system on base. Things are "heating up" in the Pacific theater. Our leaders and service members desperately need your prayers.

Again, thank you for allowing us to be your missionaries to the US Military here in Japan. Thank you for your support and prayers.
