October 2017 - Prayer, Praise & Progress Report

Dear Ones in Christ,

"But thanks be to God, which giveth us the victory through our Lord Jesus Christ." 1. Corinthians 15:57.

Robert Lowry penned these words - "Up from the grave He arose, With a mighty triumph o'er His foes, He arose a victor from the dark domain, And He lives forever with His saints to reign, He arose, He arose, Hallelujah Christ arose." This summer we visited the German church where Johann Christoph Blumhardt (1805-1880) was the pastor. Over a period of two years he ministered to a woman in his congregation, and she was finally delivered from occultic influence. She then cried out "Jesus is Victor" and was completely healed. This became the motto of Blumhardt's subsequent ministry and led to a revival movement in Germany where throngs of people were led into a victorious Christian life!

Stirring the waters: In September we baptized three in the town swimming pool. One was a retired government official. One lady had led a lifestyle involved in drugs and another lady had lived a while on the streets as an alcoholic. All confess Jesus now as their Lord and raised a victory shout for the new life in Jesus they have received!

October revival: Our October conference had every seat full and extra chairs were brought in to accommodate guests that had come from far and near to hear our guest speaker. One of our men asked me if I had seen the Rolls Royce that a family from Switzerland had arrived in. No, but I did see how his wife was changed through the power of God's pure Word being preached! A young lady, aged 20, working at a hotel on an island, came by ferry and train 11 hours to be there and was so rejoicing on Sunday afternoon. She was hungry for God and had her cup filled. Jesus is Victor!

Baby Boom in Germany: Someone said that could be a sign of a coming revival. I do not know but there are more babies now in the church than ever and it is a good sign! We desire that these young ones experience a living, thriving and victorious relationship with Jesus Christ!

Family visit: Our oldest daughter and her family (three of the best grandkids in the world!) visited us this summer and were a great blessing to us. We are so thankful for them! The first two weeks of November we will visit my parents who are almost 90 years old to help out where we can. Please pray with us on these things that are mentioned in our letter. Thank you!

Thank you for standing with us. It is worth it! Jesus Christ is the Victor and we win!

Blessings to you all!

Dan & Tricia

And blessed be his glorious name forever: and let the whole earth be filled with his glory: Amen, and Amen.
