

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

Enjoy Times Vol.29 Sept - Oct 2017

Dear Pastor, Church, & Praying Friends,

Yokota Air Base held its annual Friendship Festival in September. We ordered 3,000 Gospel Fans to pass out to the Japanese attendees. The printing company ended up sending us an extra 100 fans free of charge... I guess the Lord wanted an extra 100 people to read the gospel!

We passed out all 3,100 "gospel fans" in about an hour. To help us in the effort, we were joined by a supporting pastor and his family for that weekend. Pastor Mike Frymier is a retired Air Force Captain and now pastors Calvary Baptist Church in Bozeman, Montana. It was a special privilege to have him and his family here for that weekend. Our church was blessed to hear some practical Bible preaching from a retired airman! To God be the glory.

Gospel Fan distribution

Please pray for a family that has just been coming to church the last two Sundays. A co-worker of his, a member of Yokota Baptist Church, invited him to visit while they were working together out on the flight line. John comes from a Catholic background but is searching for truth and is not convinced that the truth is found in the Catholic church. It's not... the truth is found in a Person, the Lord Jesus Christ! Well, after he visited on a Sunday, a man in our church (a former Catholic) and I visited in John's home. We met his wife Mary and their three children. We had a great visit. The whole family came last Sunday and I preached a sermon on the necessity of being born again. Please join us in praying for this sweet family that they would receive Jesus Christ as their personal Savior.

Frymier Family

We are delighted to see fruit being produced in another family's life. Daniel and Nicole were recently saved and baptized and are growing in the Lord. Daniel and I went out on visitation together to visit some single airmen that had come to the church. We had some good visits and shared the gospel with several folks in the dorms. On the way home, Daniel told me what a difference knowing Jesus Christ had made in his life and in his family's life. They now pray and thank God for the food before they eat. They try to live according to the Bible, and it is making their home a more pleasant place; he even said that their children (three little boys) are being more kind one to another! Now that's some amazing grace! Thank you for praying for this family and for their continued spiritual growth.

Blessed to have lunch with the Nutts, veteran BIMl Military missionaries

We will soon be heading into the Thanksgiving and Christmas seasons! Praise the Lord, I love them both! But it can be a tough time for military folks as they are away from home. Our church is looking forward to having a HUGE Thanksgiving Day lunch and then some special meetings to be a blessing to those away from their homes. Please pray that we might be an encouragement and help to our military and that we might show the grace and love of Christ during these times. God bless each and everyone of you. We are very grateful for your prayers and faithful giving that allow us this great opportunity to serve the Lord and our military here in Tokyo.
