## THE MCKITTRICK FAMILY

Enjoy Times Vol.31 Jan-Feb 2018

Dear Pastor, church and praying friend,

It is hard to believe that the first two months of 2018 have already passed by! We are pleased to be here on the field as your missionaries to our US Military stationed at Yokota Air Base, Tokyo.

We've had several first time visitors attend our services this year. One such family was a Burmese family visiting their son and daughter-in-law who are both members of the U.S. Air Force. We visited in their home and had a great time. Being originally from Burma, I asked them if they had ever heard of Adoniram Judson? They replied, "Of course," and then got out their Burmese Bible. It was the Bible Adoniram Judson translated many years ago as an American missionary to Burma. I had only read of Dr. Judson and his work in the 1800's and it was very interesting/encouraging to see his labors for Christ still affecting people today.

A highlight from the last two months came on Sunday, 21 January 2018. That evening, John, the man we have asked you to pray for, trusted Jesus Christ to be his personal Savior. He had texted me the day before asking if we could meet to talk about church membership. I said sure and that evening I opened the Bible and instead of talking about church membership we talked about salvation in Jesus Christ. After sharing the "Roman's Road" and some other verses, John and I got on our knees and John called upon the name of the Lord Jesus Christ to save his soul. Praise the Lord! Thank you so much for your prayers. God has answered! Please continue to pray for John's wife, Mary, to be saved.

We held a Couple's Banquet to have some fun around Valentine's Day. Nine couples attended and we had a blast. It was a delicious potluck evening followed by a short message aimed at encouraging marriages and then onto the Couple's Knowledge game, something similar to the Newly Wed game. It was hilarious to see what the couples thought they knew about their life's mate as compared to the truth! Hahaha. I think the folks were spiritually encouraged. "A merry heart doeth good like a medicine." Please pray for our couples. Military life, with temporary duty assignments, deployments, and living in an unusual environment apart from one another can be a recipe for trouble among young married folks. They really need your prayers.

Again, thank you for your faithfulness to the ministry here in Japan. We count it a privilege to serve the Lord Jesus Christ in this corner of His harvest. May God continue to bless each of you.
