TO THE PEOPLE OF INDONESIA

Dear Friends and Family,

March-April 2018

## MARCH MEETINGS

Fellowship Baptist Church in Madison, VA graciously invited us to their March "Missions Revival". The members had prayed diligently for the meetings, several weeks in advance, preparing for a conference that was truly blessed of the Lord. Our hearts were knit together with those dear brothers and sisters in Christ in a very special way. It was a joy to see one man saved and another called to preach!

Kristen's book, "A Letter In Your Loss", was released on Amazon.com on March 1st. Since that time, God has provided many divine appointments with hurting, grieving people, and worked in ways we never could have imagined. During a conference in Chesapeake, VA the Lord allowed us an encounter with a woman who has worked for Sentara hospitals for well over 20 years. With her assistance, the book is now being reviewed as a possible bereavement resource for every Sentara hospital in the state of Virginia. The next meeting will be held on May 2nd. We sincerely ask for your prayers regarding this endeavor!

## APRIL ADVENTURES

Our April road trip to Texas was an incredible opportunity to reunite with several family members and friends, while sharing missions with churches in Fort Worth, San Angelo, San Antonio, and Houston. It didn't take long for us to fall in love with the beautiful culture and history of this great state!

Before returning home for a couple of days, we finished with a wonderful conference at Calvary Baptist in Smithfield, VA. Dr. Keen preached concerning the unreached people groups of the world, and God worked in the hearts of two men regarding assisting with Bible translating. The Lord moved in the meetings, and it was a privilege to take part.

We are grateful for God's protection as we traveled 5,400 miles in a month's time. Our support level is now at 20.3%, praise the Lord! Please pray that others will partner alongside us, as we continue this deputation journey!

Yours To Impact Indonesia For Christ,  
Brandon & Kristen Kelley
