

The Kelley Family

TO THE PEOPLE OF INDONESIA

Dear Family & Friends,

Summer VBS Update

Bandanas, boots and braids – It’s a “Rodeo Round-Up!” At the end of June, our family was able to participate in the Vacation Bible School program of Madison Baptist Church, in Madison, Alabama. Complete with preaching, prizes, team cheers, and skits involving mischievous cowboys and a heroic marshal, the mornings held a lot of great fun for everyone. Brandon and Kristen taught 25 first grade boys, using the powerful theme “The God of The Impossible”. The lessons involved flannel graph, singing, question time, and Bible verse memorization. What a blessed opportunity to share the truth of God’s Word with some who have never heard!

Over 600 children were in attendance, through the course of the week, and 96 of those precious boys and girls TRUSTED IN JESUS!! At the graduation ceremony, dozens of parents and grandparents came, and 4 adults GOT SAVED!! 100 souls now on their way to Heaven!! Praise the Lord!

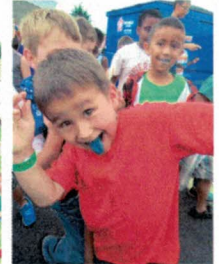

In the evenings, Madison Baptist held their annual Missions Conference services, giving each missionary the opportunity to preach as well as present the ministry on their particular field. It was certainly a memorable meeting, and a joy to be a part of!

That same week, one of our precious supporting churches – Wayside Baptist in Chesapeake, VA – chose our family as their Vacation Bible School “special project”. The adults and children took up an offering of \$1410! What a tremendous blessing and encouragement to our hearts!

We pray that the Lord might richly bless the summer outreach ministries in your own churches. Thank you for your love and prayers for our family!

Yours to Impact Indonesia For Christ,
Brandon & Kristen Kelley

Let them give glory unto the Lord, and declare his praise in the islands
