

# The Kelley Family

TO THE PEOPLE OF INDONESIA

Dear Family & Friends,

Sept. -Oct. 2018

## BUSY

Fall missions conference season has brought many miles and many meetings. Brandon presented the work in Indonesia in numerous chapel services, Sunday School and Jr. Church classes, and Christian school classes as well. It is always an exciting thing, being able to influence the next generation for God. In addition to preaching and teaching, Brandon had more than one opportunity to participate in the Seedline project - a Bible printing ministry - stapling John and Romans for Spanish-speaking nations.

It has been beautiful watching our girls getting to participate with us in a variety of ministry activities. Holding Indonesian flags, representing other nations in costume, stuffing thousands of parade packets with candy and church invites, connecting with fellow ministry kids, singing . . .

Over the last 2 months, we have presented missions in 16 churches. Our family is joyful to announce that we are now at 38.4% of our needed support!

## BURDENED

October is Pregnancy & Infant Loss Awareness Month. Kristen took this opportunity to reach out to three more Sentara hospitals in the state of Virginia, offering her book as a Christian bereavement resource. Since March of this year, we have been able to donate over 500 copies of "A Letter In Your Loss" to hospitals and grief support groups through our miscarriage ministry. We are sincerely grateful to all who have chosen to partner with us financially towards this endeavor!

## BLESSED

This past week, we sat around the supper table speaking of the churches that have made an impact on our hearts and the dear friends that we've made along the way. What a sweet blessing to hear even our 3-year-old take part in this conversation. As we approach the Thanksgiving season, we desire for you to know that we thank God for YOU - our prayer partners!

Yours to Impact Indonesia For Christ,  
Brandon & Kristen Kelley
