Dear Pastor & Church,

How are you all doing? Although we are thousands of miles apart, I trust that we keep on pressing for the Lord. Indeed, His grace is sufficient.

We are so delighted to share with you on what the Lord is doing in our mission field here in **Manila, Philippines**. You surely have a big part in the fruits of our ministries.

2 months ago, we've had our "**Friends Sunday**". I've preached on **3 greatest prayers (Cleanse Me, Come unto me & Control me)**. Praise God, souls got saved! They were disciples, and before this year ends, we have **20 candidates for water baptism**. We also have an American who regularly comes to our church, although he is an Agnostic, yet we are seeing how his heart is gradually opening to trust Jesus as his Saviour.

**Emerald Room**

**Sapphire Room**

It costs us **\$210/ Sunday** every time we use the **Emerald room** as a place of worship (on special occasions.) On the other hand, we spend **\$140/ Sunday** in **Sapphire room** where we regularly meet.

We are now having **2 simultaneous services regularly**. There was even a time when we had to open the doors of our place of worship because people keep on coming to hear God's word. **We are outgrowing the building.**

Last month, I've reached out to our members and asked them to use their *professions and gifts* in encouraging the brethren. And so, we've had "**Relationship Enhancement & Legal Education Sunday**" where both *Psychology graduates & Christian lawyers* shared their knowledge and testimonies. It was a great blessing!

**Psychology Graduates**

**Christian Lawyers**

At the moment, we have **6 other areas** where the gospel is preached on a *regular basis*. We pray that in time, these outreaches will turn into **local churches**. Each area is led by preachers whom I personally trained.

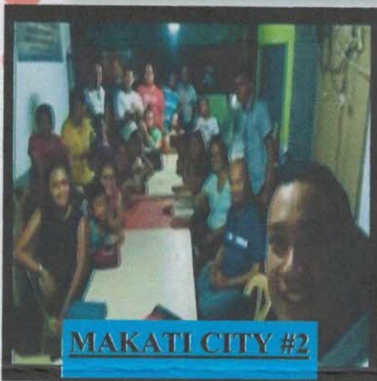

**MAKATI CITY #1**

**ADDITION HILLS AREA**

**PLAINVEIW AREA**

**MAKATI CITY #2**

**SAN JUAN CITY**

**CAVITE AREA**

Please continue to remember us in your prayers. The **biggest challenge** in our mission field is **the place of worship**. We are spending **\$700 a month** just to rent **2 function rooms simultaneously** that serve as **our place of worship and Sunday school rooms for children**. The last time I've asked for this project, **only 2 of our supporters** responded. The administrator of the building asked us to pay **12 months ahead**.

Would you be able to help us even just for our 1 month expense (\$700).

It's been **9 years** since I left your country. **Half of my supporters** already cut their support.

Thank you for standing with us and may the Lord enable you to be a part of our goals & project. Happy Thanksgiving Day! We love you!

All by God's grace,

*Lemuel Pagcu*
