### PRAYER, PRAISE AND PEOPLE UPDATE FOR THE PARTNERS OF STEVE & RHONDA NICHOLAS

HAPPY NEW YEAR  
JANUARY, 2019

**PEOPLE:** One of the really enlightening aspects of the WOLBI Jeju program is the trips included in the year. At the beginning of December Steve led students on a mission trip to Thailand. The most challenging aspect of this year's trip was to go with a group that is ministering to persecuted Pakistani refugees imprisoned in Bangkok's Immigration Detention Center. Many of these Christians (men, women, children including pastors) have been behind bars for years for their faith. Hebrews 13:3 "Remember those who are in prison, as though in prison with them..."

**PRAISE:**

1. The Thailand trip was safe and profitable. If you would like to see WOLBI Jeju students ministering in a Thai church, click here [Life of Christ Drama](#)
2. **Daniel was able to be in Korea with us for Christmas!**
3. Had several unsaved people attend our church Christmas party this year.

**PRAYER:**

1. Pray for the safe return of students and some staff on January 1 and 2 from Christmas break.
2. **Pray for David Baek as he leads winter camp. We are still praying that God will fill two of our camps (January 21-23 and 24-26).**
3. Please pray for Steve and Rhonda as they minister at a school on the mainland January 15-18.
