PRAYER, PRAISE AND PEOPLE UPDATE FOR THE PARTNERS OF STEVE & RHONDA NICHOLAS

WISHING YOU A VERY MERRY CHRISTMAS DECEMBER, 2018

PEOPLE: While we were in the US we told about **MD** from a country in SE Asia, who attended our church 2017 Christmas service. It was his first time in a church--very foreign to him. But he was a seeker! Long story short, he trusted Christ the day we left for the US last May. Well, two Sundays ago Steve was able to baptize **MD** in the ocean! His mother, wife and little boy are all in his home country. **MD** will probably be returning there very soon. His wife has not yet been able to comprehend much of what **MD** has shared about his faith. Please pray that his transformed life will be a testimony to his family and friends.

PRAISE:

1. Steve was able to visit Hong Kong last weekend. He got some good counsel there about future ministry. It was definitely a profitable trip.
2. **Steve & Filipe completed Bible Study Methods today!!!! It was a marathon run but totally worth it and one that will bear fruit for many years to come.**
3. On Nov 10th 41 campers attended Momentum. At least two unsaved girls that I have connected with and who did not listen AT ALL at the Oct Momentum, did listen some in Nov!!! .

PRAYER:

1. Steve and students depart Dec 4 for Thailand. Please pray for safety and that God will open the eyes of students to the great needs and opportunities in this part of the world.
2. **Pray for David Baek, our new camp director. He is young, has a TON of potential but the LEAST supported of all our staff. Click here for more info <https://give.wol.org/ndbaek>**
3. Please pray for an open door that no man can shut in the HUGE country near us.
