**90 SECONDS  
OF PRAYER, PRAISE AND PEOPLE UPDATE  
FOR THE PARTNERS OF STEVE & RHONDA NICHOLAS**

MARCH 2020

**PEOPLE:** At the same time God was working in the hearts of WOLBI Jeju students during our missions conference, the number of people getting the corona virus, especially in Daegu (Korea's fourth largest city), was climbing fast. It is amazing how quickly life can change and how we have to go into "crisis" management mode. It was not because our staff or students were in danger but rather preparing for the worst just in case. In many ways we are in about the safest situation one could be in while living in Korea at this time (on an island, in the countryside). But we also want to take every precaution to protect the health of staff and students. If you want to read a detailed account of the situation on the ground, please click <http://bit.ly/WOLBIJejuCoronaVirusUpdate>

**PRAISE:**  
1. After submitting visa papers to immigration, Steve and Jack Jang came away with 80% confidence that the SE Asian student's visa will be granted but continue to pray.  
2. Despite the grave nature of the corona virus in Korea, we praise the Lord that He is in control and the Source of wisdom in decision-making.  
3. The admissions trips were cancelled due to the virus but we praise the Lord for another western guy from Xian, China we accepted just today:)

**PRAYER:**  
1. Please pray for the 12 who dedicated their lives to Christ, for the 8 who committed to full-time missions and for pledges of \$12,000 USD given at the missions conference.  
2. Please pray for protection and wisdom related to our staff and students and the virus. Please pray we can postpone or replace the March Israel trip--as Israel will not let people from Korea come at this time.  
3. Please pray for our team as we look for opportunities to minister during this time of limited mobility and group meetings due to virus spreading potential.
