To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

March - April 2020

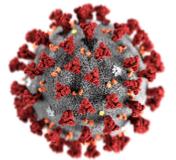

## \* March

March was a great month adding needed new support. Presenting our burden for Estonia and being able to present the dire need for missionaries was so encouraging. The middle of March though found us homebound at my parents' house in the mountains of West Virginia due to the lockdown. We used this time to go through my parents' belongings that have piled up through the years and do much needed maintenance.

## \* April

With April came many questions. As the month progressed, it became clear that further presentations would be on hold. The airline canceled our return flight to Estonia scheduled for June 2nd. We hope to re-book that soon. Lisa's dental surgery, due to her body reabsorbing her teeth, has also been put off. Three teeth need to come out. Two have been pulled and she has one more to go. Pray she can get it done soon. God has also shown us untapped ways to connect with people and neighbors to share the gospel. Pray God is glorified and made known throughout the world! Thanks you to all of you that pray, communicate, and support us. We can't do what God has called us to do without you.

## \* Family News

My mom is adjusting to being a widow in assisted living. The quarantine has been hard on her, but she is doing well. My brother's widow and 2 sons are also adjusting to life without him. Please continue to pray them.

Phillip was doing great in school and loving being in a traditional school vs online. In mid-March, ironically, he had to switch to online school again when schools shut down. Pray for him to keep his grades up as he endures through online school again.

**CONGRATULATIONS** to Corissa and her husband, Brandon, on their graduation from university with their BSN (nursing)!!! Brandon has already got a nursing job! Always remember: Your prayer make a difference!!!

PLEASE  
PRAY!!!!

1. New supporting churches needed
2. Funds to get a bigger meeting place
3. My mom and sister-in-law as they adjust to being widows and my 2 nephews as they adjust without their dad.

For lost Russian souls,
