### Prayer, Praise & Progress Report - October 2020

Dear Ones in Christ,

*„ And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.“*

Hebrews 10:24-25. The church is still God's Plan A and the Holy Spirit has called us to assemble together to preach His Word and worship with song our great and wonderful Heavenly Father. Amen!

#### **Great Motorcycle Service in September:**

The workers came together and prayed for God's peace and blessing on the Sunday service. And so God blessed as over 130 motorcycles showed up and our evangelist had a great Word as the crowd listened with obvious attention. The service was held outside with perfect weather. The bikers were blessed afterwards with a beautiful two hour guided tour through the surrounding hills returning for a BBQ and good fellowship. Many unsaved were there and good seed was sown!

**Church asylum has ended:** The Iranian family that lived on the church property for almost a year and a half are now in a refugee home awaiting the legal process for residency in Germany. A German judge ruled in their favor that they would not be deported before a court hearing. We are rejoicing with them and praying as well. Thank you for your prayers and support for this family!

**Baptism:** Several have indicated their desire for believers baptism. There are others that seem close to becoming followers of Christ. Please pray with us for these!

**Prayer:** We are meeting on Monday evenings to pray for the church, our town and region as we walk in teams through the city. As a church/ecclesia we are supposed to have a spiritual impact on our place. Amen!

**Pastoral team:** Two men were added to our pastoral team this month and it is great working with them. I am grateful for the unity and dedication of these men. More Lord, yes send more Lord!

**In the end we win!** Thank you for your prayers, gifts and encouragement. Our God is sufficient. May God's blessing and peace be on you especially in these days!

**Shalom** - blessings and peace!
