We are happy to introduce Ara (Grace) Jo to you. Do you remember Min Jun (formerly known as Mandu)? Well, this is the young lady who has been working closely with him and his family. **AND SHE JUST BECAME A FULL-TIME WORD OF LIFE MISSIONARY!!!** Ara is one of the best evangelists we have on our team. Although Korean, she was miraculously saved while in Egypt. Click on the video below to hear her testimony! Eventually the Lord led her to WOLBI Jeju. She first worked one year to earn scholarship to be a student. After graduation, she has served as intern staff for the past 2 years. And now she is a full-time part of our team. Please pray for her as she begins the support-raising process.

**JUNE 2021**

Also, introducing Jason, Chan-joo and Lucy:) Chan-joo was an SYME and WOLBI Jeju student (actually her dad studied at SYME in the past too). While on the Israel trip, she met Jason. They both attended WOLBI NY 2nd year and the rest is history:) They have been serving at WOLBI for the past 2 years **AND ALSO JUST JOINED WOL FULL-TIME!!!** They also are passionate about sharing the Gospel. Please pray for them as they return to Canada to raise support.

**PRAISE:**

1. At the May 8 Online Momentum 120 watched and 20 campers were counselled at the end.
2. **We rejoice in those who have joined our team full-time and for how the Lord provided for the Guzman's plane tickets!!!!**
3. Abby's visa is currently extended until July 23. PTL! Our prayer is that she will be able to stay in Korea until August 23. That will require two 15-day extensions which are not guaranteed. Thank you for praying about that!

**PRAYER:**

1. The next Momentum is supposed to be live on June 19. The Korean government has recently raised the COVID restrictions level. Please pray for wisdom as we navigate through this.
2. **Please pray for summer camp registrations. Our camp team has adjusted the schedule to accommodate more campers!**
3. Please pray for transitions and training between this year's staff and next year's.
