

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

Enjoy Times Vol.52 July - August 2021

Dear Pastor, church and praying friend,

July and August went by so fast as we were busy with Ra-Men' s Nights Out, Ladies' fellowships, Men' s Prayer Breakfasts, tract distributions, pre- marriage counseling and church fellowships. McKittrick Academy also began again with Titus and Asa in the 7th Grade, Silas in 5th Grade, and Phebe in K5. It is our honor to be on the field serving our Lord Jesus Christ as your missionaries to our US Military, their families, and the local Japanese people. Thank you so much for your continued faithfulness as we enter our 8th year on the field.

I must share with you the salvation of two of the Japanese ladies we had asked you to pray for. We had the joy to lead Hitomi-san to Christ on Sunday, July 11th. In our last letter we told you that their family had come over to our house for supper and that Haruna had a good conversation with Hitomi about trusting in Christ. Well the Holy Spirit continued His work and on that Sunday, Hitomi and her husband Cedrickus sat in my study and we clearly went over God' s Good News straight from the Bible. Haruna interpreted and Hitomi bowed her head and asked Jesus Christ to be her personal Savior! Amen right there. She was baptized the following Sunday. We can clearly see the change in her countenance and the joy on her face coming from Jesus in her heart.

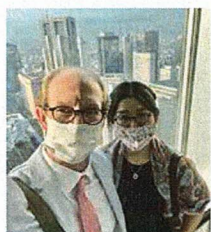

We also had the joy to lead Miyuu to Christ on Sunday, August 15th. She and her boyfriend stayed around after the morning service and had a question for me. Miyuu' s question was this: If I believe in God, isn' t that the same as believing in Jesus? We worked through that question and I showed her that **belief in God** isn' t necessarily the same as **believing God**. We read James 1:19 which states that the devils **believe in God**, and tremble. We also read Romans 4:3 which states that Abraham **believed** God concerning His promise. It all became clear to her and she proclaimed that she, indeed, believes that Jesus died for her sins and she trusts Him for her salvation! I followed up with a question: If you were to die this afternoon in a car crash, where would you go? She replied with calm assurance, "I would go to heaven." Praise the Lord right there!

Please continue to pray for the spiritual growth of these ladies and please continue to pray for Hermie to be saved.

Please pray for our service members and their families during these trying times. "These are the times that try men' s souls," said Thomas Paine, and our troops are really being put through it with the constant rule changes and variations about mask mandates and social distancing and vaccination shots. Just two days ago the base mandated that all 'unvaccinated' service members were not allowed to leave the base nor go to the base gym. Their unvaccinated spouse and children may leave base but they cannot. You can imagine the logical questions this raises and the effect it has upon troop morale. With that being said, we have had several visitors over the past few Sundays and we are following up with them to get them the good news of Jesus Christ and to make sure they know that there is a good Bible believing and Bible preaching Baptist church standing by to care for them and their families. Thank you for your faithful prayers and support. We love you all. May the Lord bless you!
