Dear pastors and praying friends,

I cannot believe that it is already December! This year has totally blown by, and 2022 is knocking on the door. God has continued to be good to us, and bless our deputation. Here's a look back at November, as well as a look ahead to December and the beginning of 2022.

## Family news

We enjoyed a time with friends and family in November for Thanksgiving. We have a long standing tradition of spending Thanksgiving with the Shreve side of the family, and this year was no different. We enjoyed ourselves immensely. Isaiah is still too little to partake, and enjoy turkey, ham, and sweet potato casserole, but those days will come soon enough. He is already 6 months old!

Please pray for us as we are getting over some sickness. From August to December, we basically lived on the road, and spent barely a week at our house. It was a very good time, and we enjoyed all the churches we were in, but it did take a toll on our physical health, and now we are recovering.

## Meetings and travels

November took us to 8 different churches in 4 states- GA, TN, PA, SC. On top of that, we drove nearly 5000 miles! Praise the Lord for traveling mercy. During one of our meetings we were able to go soul winning with the church. This was the first time all 4 of us (Kyle, Hannah, Isabella and Isaiah) went out together like this. It was a very fun time getting to serve the Lord together like that!!

We are very thankful for every opportunity, and in December, we will be in 9 churches in 6 different states- PA, TN, VA, NC, FL, AL. We also look forward to celebrating Christmas at our home church and worshipping Christ together during this special time. I will also have 2 opportunities to preach at the Spanish church at Vision, and I am very excited about that.

We praise the Lord for 4 new supporting churches in November, and look forward to reaching Chile in 2022!!

## OG Summit is only a few days away

The Our Generation Summit is only a few days away- Dec 27-29 at Vision Baptist Church in Alpharetta, GA. Visit <https://visionmissions.org/ogc2020/>

This is a powerful event, and you will not want to miss it!

Thank you for all you do to serve Jesus, and reach the world for Him

In Christ,
