New Contacts for Teen Club

April - June 2022

Teen Club is growing with new teens attending. We are in a six floor building. Just above our floor is Laser Tag and just below us is a daycare for children. We got acquainted with some of the workers of the Laser Tag and two claim to be Christians. I was invited to attend a game and music night there. We have been able to draw some of the teens from Laser Zone. Pray for more to come. Pray God would call them to be saved and serve Him in reaching others for Christ.

Ukrainian refugees

We were able to reaching out to refugees of whom most all are women and children. Praise God two ladies got saved at church! Lisa has been teaching some of their children in English club. We took some ladies on a shopping spree at a second hand store. The van was packed with many items such as kitchenware, clothes, suitcases, blankets, and more. Pray for Anna and Russeema to grow in their Christian life.

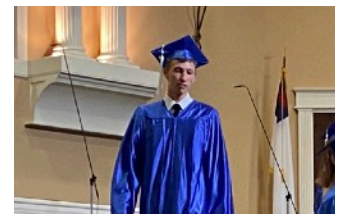

Building News

We have been able to raise \$35,000 for a church/ministry building. Because of the war, we have more time to raise money and consider more options.

Congratulations to Phillip on his graduation! We will be in the USA for the summer and moving him to college in August to study Physics. We will also be taking care of my aging mother's affairs.
