

PASKAL PRAYER AND PRAISE REPORT SUMMER 2022  
WE ARE IN NEW YORK!

Dear Praying Friends and Family Members,

Greetings in the matchless name of our Lord and Savior Jesus Christ. We are excited to write to you from the mission field in New York. We have been here a little over a month and feel blessed, and thankful that God in His perfect time and in His perfect way has answered so many of yours and our prayers. Since arriving we have already faced difficulties, including being sick with Covid while trying to move from Virginia to New York. The morning we got to New York we learned that Kathy's mother had just passed away. Back to Virginia we went. While all of this was going on we had to help move our two youngest children into their apartment and pick up our eldest son David in New Jersey. When we got back to New York and were settling into our new residence, then comes the storm of the decade. A big tree branch broke off outside of our home and just barely missed coming through our bedroom window. Welcome to the Mission Field.

Currently, we have begun ministry work here in Long Beach. We have in the works a Long Beach Community Bible Study Kick-off event scheduled for September 15<sup>th</sup> at 6:30 PM. Please pray for the success of this first initial attempt to get a group of folks together from Long Beach to start a community Bible Study. Our goal will be to begin the Bible Study in September and use this as an initial draw to help organize a church in the Long Beach area. By the time you receive this letter we will have attempted to hand out 400+ invitations personally including 500 gospel tracts in the Long Beach area. We also have made personal contacts with several folks who are Jewish. We ask you to pray especially for these contacts and pray for more open doors amongst the Jewish People in The Five Towns, Long Beach area. Pray that God will deal with hearts that we have already witnessed to, and that we will have opportunity to do follow-up with these precious folks. Two are Ladies we have contacted they both have the same first names Madeline both ladies are Jewish. Pray for Burt an older Jewish man, and an elderly Jewish woman named Ms. Hedy Page. Concerning other contacts with Jewish People we have made, very few have not wanted to hear what we had to say. I did meet one man who said he was rich and needed nothing. He reminded me of another rich man I have read about in Luke 16:16-21. Please pray for tender hearts and power for us to be effective witnesses for our Lord Jesus Christ. I am happy to report that yesterday Kathy and I were in Long Beach sharing the good news of the gospel and inviting people to the prospective Bible study. While there I got to lead Adrian to the Lord. Oh, to have God's supernatural power upon us continually. Pray for us that the Holy Spirit's power would rest on us. Ephesians 6:18-20

Concerning the book of Ephesians, over the last month I have been helping First Baptist church in Hicksville, New York. We have been doing a series of messages on Spiritual warfare from Ephesians 6:10-18. We have also organized Evangelism training, after the training sessions we go door to door in the neighborhood. We have already been out twice and have planned two additional outreach days, August 27<sup>th</sup>, and September 3<sup>rd</sup>. We are also making plans to do outreach at the Long Island Railroad station here in Hicksville. We are planning a "Community Prayer Initiative," Planned for September the 10<sup>th</sup> at 11:00 AM. The following day will be Sunday 9/11/2022. Please pray for these evangelism efforts that people will be born again and God blesses and adds to His Church. Two other important requests to mention. We need God's help with our ministry website, [bbbministries.com](http://bbbministries.com). The man that had been helping me for years is no longer going to be doing website work. Additionally, our missions support is still not at 100%. Please pray for the remaining needed monthly missions support. Your missionaries to The Greater New York City Area.
