## Prayer, Praise & Progress Report - April 2024

Dear Ones in Christ,

*“And saying, The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe -- the gospel.”*

- Markus 1:15. *“And he called unto him the twelve, and began to send them forth by two and two; and gave them power over unclean spirits;”* - Markus 6:7. Repentance is not heard much in pulpits today. Turn or burn is out of favor. I recently commented in a sermon that if John the Baptist or Jesus spoke like many preachers today John would not have lost his head or Jesus would not have been crucified. Our message is clear: **repent and believe the Gospel** and our commission is to **go forth!** By the way our side has already won!

**Evangelism:** In a recent message to our church I taught using the “Romans Road“ plan that I learned in Bible school. It still works. In May we are having a weekend teaching series on evangelism with a guest evangelist. In June we will go out on the streets in teams putting into practice what we have learned. Pray also as I meet with people that are coming regularly to our church but not yet have made a clear commitment to trust and follow Christ!

**Baptism:** The two sons of a Ukrainian refugee family are wanting to get baptised. There are several others that need to get baptised and soon we will be having a service on the lakeside near the church. Amen!

**Discipleship:** *The Freedom in Christ* discipleship course is finished and now we begin the personal steps to freedom meetings with people in person. A couple or individual goes through this session then they in turn meet with others and lead them through it. Multiplication is what we are after. We are called to be followers of Christ!

**Missions:** A representative of the mission organisation “*The Church of the Martyrs*“ started by Richard Wurmbrandt, recently held a weekend seminar at our church. The speaker relayed to us that the apparent danger in Europe is not persecution but deception and that is already going on in churches. We are keeping Israel in our prayers. The end of May we will hold a Passover meal led by a Messianic pastor from Nuremberg. One day all Israel will be saved!

**Mentoring and training:** I am continuing to train our pastoral team and letting them take on more and more responsibility for leading and planning in the church. Our youth pastor is coming along fine and we see positive spiritual maturity taking place. I love guiding others to their God calling and then training and encouraging them to do the job of ministry. It doesn't get any better!

**Thank you!** We are grateful for each of those who faithfully support this ministry in Germany. It is our honor and privilege to represent you all here on the field. Thank you for your encouragement and help!

Shalom - blessings!
