A New Chapter

As I sit down to write to you, I am filled with gratitude and excitement. After our ministry facility rent and utilities kept going up month by month, I am thrilled to share that we have secured a new space! It is not only larger, but much cheaper, enabling us to allocate more resources towards our ministries! This move is a testament to God's faithfulness and provision. As we embark on this new chapter, I invite you to join me in prayer, asking for God's continued guidance and blessings as we remodel the space for our needs and settle into our new facility. Currently we are searching out workers/helpers, paint colors, cabinetry, window coverings for our huge windows, and multimedia set up. It can be overwhelming at times! Pray we can get it all done in July and August and be ready for the start of the new school year. Your prayers are crucial in helping us settle into our new space.

Our Family

Lisa and I are excited to be able to attend our daughter's (Candice) and Robbie's wedding and witness the beginning of a new chapter in her life! Pray they honor God and find happiness and fulfillment as they establish their new family. In addition to the wedding festivities, we will also have the joy of spending two weeks with our other daughter, Corissa, and my two adorable granddaughters. I am so thankful for these precious moments with family that bring lasting memories. However, amidst the celebrations, I will also be tending to my mother's affairs. She currently resides in assisted living, and there are certain matters that require my attention and care. It is a responsibility that I willingly take on, as I want to ensure that my mother's needs are met. Your prayers and support during this time mean the world to us. I ask that you keep me and my family in your prayers as we are in the USA this fall visiting churches and spending time with family.
