12 Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

Acts 4:12

I am thrilled to share some exciting news about the ministry in Tralee, Ireland, for June!

This summer has been full of non-stop action, and we are just getting started. This year has been a true blessing, as we have not experienced the “interruptions” that last year brought. We have intensified our ministry efforts, and June was no exception.

Pastor Mike Spann and family

As you know, we have our missions emphasis month in May, where we encourage people to "GO". As soon as May ended, we commenced our first family conference. I began the family conference by speaking to the men of the church about living a disciplined life for Christ at one of our popular Fella-ship activities called "All Fired Up". Then, the remarkable Pastor Mike Spann from Bible Baptist Church in Mississippi continued the family conference by addressing the ladies on Sunday morning and the children on Sunday evening. We concluded the conference on Monday evening with a delightful church picnic in the town park.

One of the many blessings we see at our church is that the men are genuinely taking ownership. This Father's Day was such a blessing, and we were even missing a few fathers in the top picture to the right.

To cap off such a wonderful month of ministry, we witnessed people following after the Lord Jesus Christ

in believers' baptism. One individual who had been baptized as a child without understanding made the commitment as an adult to publicly identify with the death, burial, and resurrection of our Lord. The other two baptized are brother and sister; the young man had accepted Christ earlier in the month. Following the baptism service, I had the unexpected privilege of leading one of our teenagers to Christ. She wanted to express that the Lord had

been "really messing with her" during our verse-by-verse study of Romans on Sunday mornings. The following Sunday, the man who was baptized joined the church with his family, and we concluded the month by sending 7 of our teens to teen camp, Camp VP, which we started ten years ago and is now solely run by Mallow Bible Fellowship. Please keep them in your prayers this week.

Lastly, we are at 35% of phase 1 in Project 4:32 to purchase the much-needed land to build the first Baptist church in County Kerry. Please continue to talk, pray, and contribute to it.

Project 4:32

Please pray for Project 4:32 and remember to talk about it and give as well.

Salvation

Please pray that we are able to lead more people to Christ. We need your prayers that when we share the gospel it is received.

The Craic

We need your prayers for a couple of events taking place in July and August. July is our very first Holiday Bible Club for the smallies. In August is a public outreach during the Rose of Tralee Festival. It's our desire to see people come to know the Lord, follow Him in Baptism and start One-on-One Discipleship.
