Prayer, Praise & Progress Report - January 2025

Dear Ones in Christ,

“And he saith unto them, Follow -- me, and I will make you fishers of men.” Matthew 4:19. „Follow me“ is the US Army Infantry motto taken from the rallying cry of Colonel Aubrey Newman on Leyte Golf in WWII. As an Army Airborne Ranger I recall well this statue in front of the Infantry School in GA. Even greater though is this rallying cry from our great Commander and Chief, Jesus Christ, to follow Him! This year of 2025 we will emphasize this in the German church: Discipleship - follow me! And out of this we will become fishers of men. Amen!

Looking back: We are thankful God has allowed us to minister in Germany for over thirty years. What a privilege it has been! We are also thankful for the souls saved and baptized in 2024 and look forward to see what God will do here this new year! Our church supports Israel through missions work, through keeping informed and praying for Israel and public meetings in support of Israel. That is very important here in Germany. I enjoyed the BIMI European field conference last year in Croatia. There were great meetings and an enjoyable scenic drive through Croatia. In October we welcomed to this world our ninth grandchild, Jonathan Joel, born here in Germany. Our son and his wife are raising their children bilingual. In November we were in the States briefly to attend our granddaughter's baptism. What a blessing to be there for that!

Looking forward: This year we have started four new small groups meeting in homes during the week to emphasize discipleship. There are already some non Christians coming and we are praying they would soon trust Jesus as Saviour. The German church supports foreign missions also in Greenland. Make Greenland Great Again! Evangelistic outreaches, conferences, and meetings to include our annual motorcycle service are being planned. A new group from the church is going to the counselling school and are excited about the intensive training there. The best is on the way!

Looking upward: The Lord's return is imminent and that truth should mobilise us with even greater resolve to be ready and busy when He comes. We are so grateful for His faithfulness and provisions to enable us to serve in the kingdom of God. God has never been late. Thank you for your part in this. Many sent in extra gifts for Christmas. Thank you. That was a great encouragement to us!

Shalom - blessings!

And blessed be his glorious name forever: and let the whole earth be filled with his glory: Amen, and Amen.
