## 1st Quarter MISSION REPORT 2025

Dear Pastor and Church,

Happy New Year! We ended 2024 by having a **Candle Light & Evangelistic Service**. Out of **204 who attended, 54 were visitors**. That night, I've preached about Jesus, The Greatest Gift of all. There were **14 people who came forward and accepted the Lord as their Savior**. Our young people presented a shadow drama portraying scenarios from different walks of life and showing how "People Need the Lord." It was also a night of solemnity as we remember the first advent, when Jesus Christ came to this world to save us and give us eternal life.

### MISSION UPDATES

\*Candle Light Service

\*2nd Mission Anniversary of youngest mission

\*15 preachers will finish their class this semester in Bible School.

\*700 attendees for grand celebration

#### Our Vision:

"Making an Eternal Difference"

#### Our Mission:

- To REACH OUT (Evangelism)
- To HELP OUT (Discipleship)
- To SEND OUT (Church Planting)

**Shadow Drama**

**Congregation sinning, "Silent Night"**

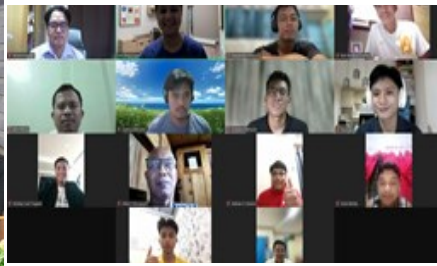

An invitation to receive Jesus in their heart was given after the preaching of God's word. Thank God for the conviction of the Holy Spirit. Gladly, these people keep attending our regular worship service even after the said special occasion. May they continue to grow in faith.

In October, we celebrated the **2nd Year anniversary of our youngest mission**. This is the second church I've planted. It is in the province of Laguna, one hour south from Manila. We praise God because we have now regular attendees and weekly visitors in this area. Each Sunday, we have an **average attendance of 35 to 40**. Meanwhile, our Bible school will end its second semester next month. I am teaching **Homiletics class and praise God because 15 preachers will be able to finish their course soon**.

Kids narrate the Christmas Nativity

Visiting the grave of our father. He has served the Lord for 42 years.

We continue his legacy

Our first Christmas without our father .

It's been six months now since our father went home to be with the Lord. Oh, how we miss him! We are grateful for his life and testimony. **For 42 years, he and our mother served the Lord** and gave their lives to the islanders of Mindoro here in the Philippines. We are glad to follow his footsteps. Our **eldest Brother, Elbert** is a local village pastor and has also a mission work on the mountains, reaching the tribal people. I'm the **second son** and my mission field is in the capital city of Manila and metropolis area of Laguna. Our **youngest brother, John** is the one continuing the church that my father had left behind. My mom continues to help in the mission work by regularly visiting all our daughter churches in different places and teaching in our Bible school. Please continue to pray for us all, especially my mom who had her surgery this morning.

Finally, please pray for the upcoming **grand celebration of 40 years ministry of the mission work** our father started. It will be on May 25, Saturday. The said occasion will be attended by Christians from different OBBC Family of churches. **It is projected to have 700 in attendance**. May we continue to impact our communities and work together in propagating the gospel.

All of these are possible by God's grace. We sincerely thank you for partnering with us in the gospel. Thank you for your love, friendship, prayers, and support. We hope to see you again. Only eternity can reveal what our joint efforts have accomplished. We will continue to STRIVE THIS 2025
