31 Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed;  
32 And ye shall know the truth, and the truth shall make you free.

John 8:31-32

## The Christian Faith Is One of Going...

That's right—our faith has more action than a Chuck Norris movie, and that's a bold statement! Denise and I can attest to this because when you serve the Lord, every moment is an adventure! We're always pushing forward for the blessed Gospel. I was thrilled to share this concept of "Going" at our church here in Tralee during our Missions Emphasis Month in May. Each May, we take a deep dive into our roles as a local church and as individuals in the Great Commission.

All Fired Up! Striving to produce godly men.

This year, we were graced with two fantastic guest speakers—Tarl Reeves from London and Keith Gandy from Germany—who truly opened our eyes to the necessity of going beyond our comfort zones. One of my heartfelt prayers is to see God raise up men and women from our congregation to serve as missionaries abroad. I can't think of anything more inspiring than a "missionary-sending missionaries"!

We kicked off the month with Tarl Reeves, who is doing incredible work in London. But the highlight for me was recognising one of Denise's disciples, who reached a significant milestone in one-on-one reproducible discipleship. That moment captured the essence of "Going" perfectly!

Keith and Debbie were such a blessing to us.

The following Sunday, our deacon Devon Janjetich delivered an inspiring message that showcased his growing talents as a preacher. One of our favourite traditions during Missions Emphasis Month is what we call "All Fired Up!" As part of our Fella-ship men's outreach, we hit the clay pigeon range and have a barbecue lunch. Here's the twist—we call it "All Fired Up" not just for the shooting or the barbecue, but because we challenge the men with God's Word!

To wrap up the month, Keith Gandy, missionary to Germany, delivered a powerful closing message, passionately reminding us that we MUST Go! And, like any good Baptist, we celebrated with an international lunch after church. Every year, our church has increased its missions giving, and this year, we're excited to support three missionaries with €500 each to meet their needs! What an exhilarating journey we're on together! Without you, none of this would be possible.

Have you ever had fantastic news that you couldn't wait to share? Well, that's exactly how I feel right now—like a "kid in a candy shop," bursting with excitement about Project 4:32! But..., I'll have to keep you in suspense until our next newsletter. Trust me, it's going to be worth the wait!

### Project 4:32

Please pray for Project 4:32. We are now at 51% of phase one. I have met with a realtor in town about a few properties.

Pray for Clark and Catherine as they finish up their Leaving Cert and fly back to the U.S for the summer. They are excited to meet their nephew.

### Yonks

"Yonks" means a very long time. For example, you might say "I haven't seen you in yonks!" to someone you haven't met up with for a while.
