3rd Quarter MISSION REPORT 2025

Dear Pastor and Church,

Praise God from whom all blessings flow! Recently, we've celebrated the 40 Fruitful Years of ministry that my father had started in the 1980's. It was **attended by 700 people** from different mission outreaches that came out from that humble beginning. I had the privilege to preach God's word on that day. The message I delivered was **"For Four Decades, God's Goodness Never Fades."** We remembered how the Israelites were set free by the blood of the lamb. We praise God because in the same way, as looked around, we were totally strangers to one another, But the Blood of Jesus that cleansed us, and had redeemed us made us all one. Jesus Saves! Thank you for partnering with us in reaching our people with the gospel of the Lord Jesus Christ. Indeed, He died for our precious souls. He is our Living Hope!

MISSION UPDATES

- *28 First time visitors
- *42 Professions of Faith
- *48 gospel tracts distributed
- * 40th Anniversary Celebration

Our Vision:

"Making an Eternal Difference"

Our Mission:

- To REACH OUT (Evangelism)
- To HELP OUT (Discipleship)
- To SEND OUT (Church Planting)

It's been a year now since my father went home to be with the Lord. "Although our Moses is gone, but the work of God continues.

We thank you for your prayers and support. We rented this place for this momentous event. The celebration was a success and a very good testament of God's faithfulness.

On that day, **170-voice choir** from different **mission outreaches** sang together and lifted up the name of Christ and ministered to all who came and even watched online. You may check us on Facebook @ **Obbc Mandaluyong**

Choir sings "My Tribute"

These are the preachers from diff. congregations that we train to assist their pastors in their local churches.

These are some of the graduates from the Bible school which my father started in 1990's. Many of them now are either pastoring local churches or teaching Sunday school regularly.

These are some of the faculties in our Bible Institute. Spiritual, practical, and academical learnings are imparted to students. God's Word is our final authority. "Enter to Learn, Go forth to serve"

Each local pastor held a banner that represents the mission field they represent and that they lead. We desire to reach more souls, train more nationals and plant more churches in the years to come.

As for my mom **Eulene**, God's comfort is has been her pillar. She remains committed by visiting our mission outreaches, praying for our leaders, and equipping our next generation by teaching both in a Christian school and Bible institute. Please continue to remember my mom in prayer.

After the celebration, **OBBC Pastors gathered together** to talk about how to expend the gospel elsewhere. At this moment, there are already **11 local churches that were planted** in different places and we hope to see more in the future. Our father in faith is gone, but we will remain committed to the work of the Lord.

Finally, we're able to enjoy the nature in our island before going back to our respective mission field. Thank you once again for standing with us through the years. We pray for your churches, your family, and the United States of America. God bless us all!
