English Camp

We had a wonderful summer with the very first English Day Camp! The children and teens learned from the story of Daniel, seeing how he depended on God and trusted in His power. With 3 missionary couples and a team from Texas, the camp was a great success, and many campers and even parents said they would come again next year. We are grateful for how God worked during the camp.

New Bible Study

Thank you for your prayers for Max, a college student we met through English Café. In July we started a weekly Bible study on Galatians. Max, along with his friend Vladlen, and Santi along with his gym buddy Nikita, have been faithfully attending. They are very interested in learning what the Bible actually says. Praise God!! Please pray for these young men, that they would be saved and grow in their faith.

Outreach Opportunities

Our ministry continues among Russians living in Estonia, many of whom need to learn Estonian in order to find work. To help meet this need and build more relationships, we will be starting an Estonian Language Café in September as a new outreach. Please pray for this. Pray also for our Teen Club, which begins again in September—that God would guide the leaders and helpers, and that His love would draw each teen closer to Him, whether in Christian growth or in salvation.
