32 And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common. Acts 4:32

I'm More Excited Than a Kid Who Gets To Skip School! June/July Extravaganza!

First Baptist of Ashland Team

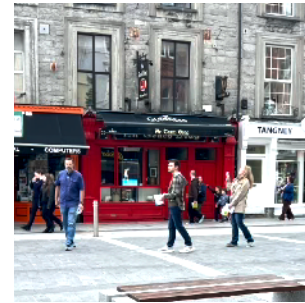

With the summer's end on our heels, we can look back and take a breather. Although this summer's weather wasn't the greatest, we had some impressive churches come over and partner with us to further the name of our Lord. If we go back to June, before I gave you the update about Project 4:32 being at 70% (now at 71.33%), I would start with First Baptist Church of Ashland coming to help lift our spirits and do some street work in City Centre. Pastor Stollings and his team did a wonderful job. Once they left, there were only a few days to prepare for the next group coming in to participate in

FBCJ Discipleship Conf.

Well, let me tell you that it was a real success story and always nice for another pastor to share what your actual heart is to the people in the church. They can hear that One-on-one Discipleship isn't something unique to our church, but other churches around the world are in the business of reproducing disciples.

July was no less exciting as we saw four people surrender to follow Christ in Believer's Baptism. Two of the four were from our City Centre outreaches and have been faithful since. And if that doesn't shiver your timbers, we also had another two surrender to be One-on-one Discipled. I have already started working with them, and they are very eager to learn how to be a disciple who can make disciples. Praise the Lord for all He's doing here and for all you're doing for us.

City Centre Outreach

Baptism Service

Project 4:32

Please continue to pray for Project 4:32. Pray for the remaining 30% to come in quickly.

Pray for the Church in the Park outreach this Sunday, August 31. Pray that we have no rain and a good turnout.

Up to 90

If someone is "Up to 90", then they are swamped. For example, "Mary, can you get the phone? I'm up to 90."
