

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

Bible Study

Sunday Bible study is going well, and we are seeing God at work. Santiago is now confidently saved! Max and Vlad invited Katia and Ivan, who came, and the next week Katia brought her boyfriend! Please pray that God will convict each of their hearts, and that I will walk closely with Him so He can work through me effectively.

On October 18–19 there will be a large evangelistic event with a concert and William Graham sharing the gospel. We'll take a bus and invite all our Bible study and Club contacts, as well as people we meet on the streets. Please, **BE IN CONSTANT PRAYER** for this event that all would come and that God will soften their hearts to receive the gospel.

Clubs

Our clubs have all started back up with the new school year, and we are excited about the opportunities this brings. Please pray especially for Teen Club as we reach out to bring in new teens. English Club is going strong and has given us some wonderful new contacts. We also launched both an Estonian Club and a Spanish Club this month, and they are off to a great start with average attendance of 25! Pray that these new connections will lead to many invitations to Bible study and that God will guide each conversation and relationship.

Family

We have exciting family news this month! Our youngest, Phillip, has started his senior year of college studying physics. He will be taking the Physics GRE at graduation, so please pray for him to do well, as this test will help qualify him for future jobs. Our middle child, Corissa, and her husband Brandon are expecting our third grandchild in February—pray for a healthy mom and baby! Our oldest, Candice, and her husband Robbie celebrated their first wedding anniversary this month—congratulations! Candice has also opened her own flower shop and is doing wonderfully. Please pray for her as she balances being an artist with flowers and managing a business. Above all, pray that God would remain the center of all their lives.
