

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

Salvations!

In October we had the incredible opportunity to attend a large evangelistic event with 15 teens from our Teen Club and several others from our Bible Study—thank you so much for praying! God was truly at work. Karina went forward, and I had the joy of praying with her as she placed her faith in Christ! Please pray that she will continue to grow in Him and stay faithful. Jevgeni also stepped forward, and although he wasn't ready to trust Christ that night, he has been meeting with me and asking questions. The idea of salvation by grace alone is hard for him to grasp. Please pray that the truth will become clear and he will come to Christ soon.

We are also rejoicing over Santiago, who was saved in September and continues to grow in his new faith. He is excited to share Christ, even though his family strongly opposes his decision and claims he has joined a cult. His heart aches for them to know the Lord. Please pray for Santiago's spiritual growth and strength, his boldness, and for his family's salvation.

Clubs

Teen Club is going well with an average of 12 attending each week. Pray that their hearts will be open to learning about Christ and seeking Him. The language clubs are also going strong. Please pray for our volunteer teachers—Vlad, Liisa, and Eha-Liis—that they will continue to teach faithfully and we'll have opportunities to witness to them. Also pray for open doors to meet one-on-one with contacts from the English, Estonian, and Spanish clubs to share Christ more personally.

Christmas Survey

With Christmas approaching, we're stepping into one of the most exciting seasons for sharing the gospel! I've developed a Christmas survey that has been incredibly effective with Russian speakers, opening doors for conversations about Christ. Please pray as I head out for street evangelism using this tool—that hearts will be open and many will hear the true message of Christmas. I'll also be traveling to different churches to teach the survey, so pray for more open doors and that many believers will catch the vision and use it boldly. I'm also eager to try the survey with Estonian people to see how they respond. Please pray for God's blessing on all of these opportunities.
