

Serving U.S. Military Families in Japan

THE McKITTRICK FAMILY

Enjoy Times Vol. 78 Nov - Dec 2025

Dear Pastor, church, and praying friend,

We trust you had a wonderful Christmas season and a joyful New Year celebration. Thank you for all the extra Christmas gifts and Christmas cards. Once again, you made Christmas extra special for the McKittrick family and we really thank God for you!

We honored our veterans and active duty service members on November 9th. During the service, we played a short video which included all the service songs of the different branches. When the service member's service song came on they had to stand. We had a few Army and a few Navy and a couple of Marines (they made sure everyone knew they were in attendance) but when the words "Off we go into the wild blue yonder..." were heard the majority of the room stood! We thank God for the faithfulness of those who have taken the oath to support and defend our beloved United States of America! Please pray for wisdom and health and courage for our troops as they enter the new and unpredictable 2026.

It was great to have a short visit from our BIMI Military Director, Bro. Bryan Baggett and his dear wife, Mrs. Kris. They flew to Japan to personally visit all the military missionaries in Japan and we had a great time together. Bro. Baggett preached for our Wednesday night service and then we all had breakfast at Jonathan's the next morning before they departed to visit the next BIMI Military Missionary family, the Navatos. We thank God for such excellent godly leaders.

Towards the end of November I had the privilege to baptize a Navy seaman. Sister Alicia had visited our church for some time and we had visited her in her dorm room. On one of those visits we had a good conversation which led to Alicia following the Lord in believer's baptism and joining the church. Amen right there! Thanksgiving was great. I had an old Air Force pal drop by while he was on vacation in Japan. We served together at Yokota Air Base years ago. It was great to see him and his family.

December was also quite busy. We celebrated the most wonderful time of the year with several church events. We held our annual Christmas Party and had a good turn out. We played games, ate delicious food, and had a white elephant gift exchange which brought many smiles and laughter to the evening. All month long I preached messages on the virgin birth and the sinlessness of Christ and the lowliness of our Lord. Isn't it wonderful to be a Christian and to have the Lord Jesus Christ as your personal Savior! Hallelujah, what a Savior! We held a Christmas Eve Candle Light service too followed by a Christmas cookie and hot chocolate fellowship. The Lord is so good. Please pray for the work to continue in the power of the Holy Spirit in the coming year. Thank you for all you do for us. Were it not for your prayers and faithful support, we would not be able to be here. We love you all. May the Lord bless you in this new year!
