Dear Praying Friends and Supporters,

Greetings and thank you for your continued support and prayers towards the work God is doing here in Long Beach, New York, our Missions field. We are continually encouraged as God is at work here convicting and saving souls. Our community is gospel starved, not because of lack of religion but because of the lack of spiritual bread. Long Beach has many Catholics and many Jews but very little Gospel. Over the last several weeks we have witnessed to many Jews, and Catholics. Almost weekly I attend the Catholic Bible Study held at St. Mary of the Isle Roman Catholic Church. I have had abundant opportunities to share salvation with these men in this group. Please pray that God would open hearts and touch these men with the simplicity and truth of the gospel. So far I have seen three men through this Bible study saved. Weekly on Thursday nights at my home we host a men's Bible study and Discipleship group. We have seen several men saved and growing in God's grace through this meeting as-well. We have been praying about starting up again Kathy's Thursday night ladies meeting. Starting this January Kathy will begin again Thursday nights weekly ladies Bible study groups. This time with the approval of The City of Long Beach she will be holding them at two separate locations. 1st and 3rd Thursday evenings in one location and 2nd and 4th Thursdays in a second location both in city controlled supplemented housing apartments. We are very excited about the prospect of these new locations to reach a new group of ladies in both of these housing complexes.

Back in December Long Beach hosted their annual Light Parade celebration. We handed out over 500 Gospel Tracts and shared with some the Good News of Christmas, Jesus Christ. As we were out on that very chilly evening, a young man named Owen shared with me how he believed God was working in his life. He had some questions: he asked if he had to keep the sacraments of The Mass, Secondly; did he need to get baptized in order to go to heaven. I was surprised by the hunger of this young man's heart. As our conversation continued to develop he explained to me that both his parents were Jewish, and that he did not want to make them upset. He also said, he was leaning towards becoming a Christian. I explained The Gospel to Owen. I then encouraged him to call upon Jesus for Salvation. He said, "how"? I explained to him by way of my testimony, and the Scriptures, then asked Owen if he wanted to put his faith in Jesus Christ? He said "YES!" Owen prayed then and there for Jesus Christ to save him; Praise God! Later he texted me the same evening saying; "he was so happy we met and appreciated what I shared with him that evening". I invited him to attend our Thursday night Men's Bible study at my home. Owen lives on the same street and knew where my home was and came. That next Sunday Owen attended Olive Branch Baptist Church with his lifelong friend JD. I am asking please pray, as I am seeking to make some quality time with these young men. My purposes is to help them grow in the grace, and knowledge of God.

Two last important Items to Pray with us specifically about.

First, The Olive Branch Baptist Church, is in the process of finishing up its Nassau County Incorporation. After this we plan on moving forward with Our 501 3c Federal Incorporation. Please Pray! **Secondly,** We are planning a **Large Evangelistic Event** to take place in The City of Long Beach May 25th-29th, followed by our **Annual Thank God for Israel Day;** May 31st, 2026. Please pray for God to provide for these important meetings in partnership with John Gibson with IBJM, and Evangelist John Barnes; NORTHEAST FOR CHRIST MINISTRIES. We covet your Prayers and cherish your friendship and appreciate your supporting this ministry for the Glory of God.

Sincerely yours for Christ!
