Prayer, Praise & Progress Report - January 2026

Dear Ones in Christ,

“And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.” Revelation 21:5. This is the new year’s Bible verse for 2026 from the Nikolas Zinzendorf Missions Society in Herrnhut, Germany that has published daily and yearly devotionals since 1731. This was the beginning of a world missions movement where 25% of the church members went to the foreign missions field. The missionaries from Zinzendorf impacted John Wesley and then ultimately America experienced the Great Awakening. Yes, we look forward with great expectation when God makes all things new. Amen!

New leadership: The last Sunday in January we turned the leadership of the church over to a young man who was raised in the church we started here. We have watched him over the years as he was a teenager growing up in church and then led the teen work. He married a young lady in the church. Johann and his wife have three boys, he has a heart for souls and the Word of God. God has gifted him with teaching, preaching and leading abilities. It was a great service with a packed house and included giving him an engraved runner’s baton as my wife prayed for his wife and then I laid hands on him and prayed for God’s grace to be on his life and ministry. I mentioned in the „handing over service“ that this event was the purpose we left our homeland and to come to Germany. I firmly believe that he with the help of a good group of men will be able to lead the church much further than we have. The best is yet to come!

True and faithful: In this handing over I have indicated that I would be willing to provide support in the transition time this year and then we are asking God what He has in store for us and where. We believe the Lord’s imminent return is close and we want to be found busy and faithful in this great harvest field before the rapture takes the church home!

All glory to Him on the throne: We are indeed grateful for how God has led, provided and despite our own failings and mistakes has raised up a work here that is now in national hands. God is faithful and worthy!

Words of thanks: Your gifts of love, prayers and communications with us are greatly appreciated. Thank you for allowing us over the years to be a part of your worldwide missions team!

Shalom - blessings!

Dan & Tricia

And blessed be his glorious name forever: and let the whole earth be filled with his glory: Amen, and Amen.
