## Planting a church in a garage.

Pastor Noel Eleazar is our newest pastor. He and his family are serving together to grow the church he started out of his family's auto repair shop in Cabanatuan City, Nueva Ecija. They now have a small structure dedicated to the church, and a growing membership.

The church meets every Sunday at 5p.m., and they have regular Bible study every Wednesday. Please pray for the outreaches that they are developing, the various children's ministries, and for the growth of the new converts. Please also pray for Pastor Noel as he travels back and forth to Rabon to the Bible College.

## Church Baptism

Praise the Lord for the baptism of the Nacis family! Pastor Rey and FBC, Pozorrubio are so happy to add this family to their church family. Please pray for their growth in Christ!

We want to thank the Lord for the life of Marcelina Nomil, Pastor Harry's mom. She came to know the Lord through the ministry of her son, and it was a joy for all who knew her to see the way the Lord changed and used her. We are grateful that we will see her again in Heaven.

Please keep Pastor Harry, his family, and the church family of FBC, Agno in prayer.

Over the years the Lord has allowed us to make necessary repairs to the many college buildings. When the college was built in the 80's and 90's wood was the primary material used. As the Lord has provided, we have replaced that with steel which is much more durable against termites, and natural. In addition to structural updates, there is need for updates to the electrical rewiring, and metal roofing. Please join us in asking the Lord for His continued provision for these needs, and please consider giving to as the Lord leads!
