

Diane, If a picture is worth a thousand words, how much is a video worth?:) In this 90 Seconds, there are actually 2 videos for you to enjoy.

On May 23 on Jeju Island Daniel married Regina Yena Oh. It was a very sweet and God-honoring wedding. Regina loves purple, so the theme of this newsletter is in her honor. We are thrilled to gain another daughter! BTW, the picture above with Steve and me, holding our fingers up, does not mean that we spent all of our money:) Koreans make those little hearts with

their fingers to send love:) Click the picture below to see a video collage of this special event.
