

Dear Praying Friends and Supporters ,

greetings from David and Kathy Paskal, your missionaries to New York city and the Jewish People. We requested prayer in our last letter for events that we would be doing this spring, we are glad to report that the specific events we requested prayer for have been truly blessed of God. We just finished up last Sunday our annual Jewish outreach which we called this year; "Shalom Sunday". We had close to 60 in attendance including several first time visitors and several Jewish folks. A few Rabbi's I had invited mentioned they would have come but could not due to their involvement in "The Israel Day Parade." that was held in New York City the same day. The week before we had a three night Bible Prophecy Conference including topics like: 'Israel and God plan for the End Times', 'Secrets of The Ancient Tabernacle', and 'Hidden mysteries in the Old Testament'. The teaching and preaching were very inspiring and encouraging. Thursday Night the 28th was our best attendance with about 40. That evening several people responded to the invitation and one person called upon The Lord for Salvation, also, my neighbors attended all three nights. Please Pray for Mary and Ron and their salvation as they were touched by the messages they heard during the Bible Conference. We shared refreshments after the meeting to get to know one another better. A local Spanish church in Long Beach partnered with us and let us use their church building for the meetings. Before these services we spent the better part of ten days sharing the gospel and inviting people to come. In all we prayed, canvased, and shared the gospel handing out some 5,000 piece's of literature including thousands of Gospel Tracts. We were greatly helped with folks, and organizations like, Northeast for Christ ministries, Internation Board of Jewish Missions, and many individuals including three wonderful young people Mary, Abigail and their brother Justus who have been staying with us for several weeks. Please keep them in your prayers as they have each expressed interest in pursuing becoming Missionaries. The Bible Prophecy Conference was followed by our 'Shalom Sunday' which was held May 31st . We had 10 Jewish people present for our Shalom Sunday and many folks who joined us that Sunday have a heart to reach Jewish people for Christ. After the service, we rejoiced in the salvation of Mary Ann an 85 year old lady, then we enjoyed a beautiful banquet together. Several other decisions were made for The Lord including surrendering to missions to New York City! I believe in all we had five decisions made for Christ for salvation, and other decisions were made concerning fulltime service. Next year we plan on doing a better job as I have evaluated some things we did and have made a list of some ways we can improve our efforts towards next years meetings. If you would like to help us with next years meetings. Please reach out to us and let us know, we would be happy to have your assistance!

Lastley, we have some forthcoming changes and we request your prayers. Included will be relocation of our home and possibly church location. We are in the process of purchasing a home in Island Park. Island Park is one mile from where we are living. The reason we are making this decision is due to my mothers need for care. Mom lives in California, she is 84 and has been living in assisted living facility for several years. We are looking to relocate her here to New York to live with us. Please pray for her and us as this will be a big transition. Pray also as we are developing Olive Branch Baptist Church. We desire to move to three service times a week by adding Sunday school, and a Midweek Services. In order for us to be able to do this we are seeking and praying for a better facility to enable us to do this. We could not do what we are doing without you. Thank you!

*Sincerely yours for Souls,*
