Dear Friends, A lot has transpired since my last letter. We have had 3 souls saved and 2 baptisms. Pastor Clark has been preaching timely messages and the Holy Spirit is working. We know Satan does not like what is happening. I truly believe he has tried to hinder the work of the Lord here; but God's protecting hand is on this ministry. Please continue to pray for souls. In our previous letter, my dear Navajo sister, Delma went to be with the Lord. I was back east for a few weeks planning my late husband's 2nd memorial service with his side of the family. Ted was the youngest among his siblings which made it impossible for his family to travel here for his first memorial service in December. Again I have fallen behind with my prayer letter and trust you will be patient as I tie things up with the passing of my husband. I was able to be in a few of our supporting churches; it was difficult knowing I sat by his side the last time we were here. It was such a void in my heart being here without him. The grieving and healing process continues and I covet your prayers. The remainder of this letter will be pictures covering the last couple of months. We have follow up visits after our VBS and Youth Camp began today, June 28th. We are trusting many young people will give their heart and lives to Jesus and others will surrender to His call to service. God is at work, waiting and pleading for those to come to Him. Thank you for being understanding. God bless you all and thank you for your faithfulness to the Lord.
