Keep praying with us!

Sometimes people stop praying because they don't hear anything and think the prayer was answered. Well, our need for a Western chef (& a Korean chef) has not been met yet. So, please continue to pray with us and claim Jeremiah 33:3 "Call to Me, and I will answer and show you great and unsearchable things you do not know."

Praise the Lord with us!

Summer camp has been great thus far. Campers from Korea, Taiwan, and Japan have heard the Gospel, and many have either trusted Christ or taken growth steps. One camper from Taiwan in my English class wrote: "Before camp, I was very shy about Jesus with my friends. But after camp I will not be afraid anymore!"
