

Faith Overseas Mission

We praise the Lord for His provision for the Family Retreat this past April! Our pastors, their wives, and ministry staff were able to spend a few days of relaxation and fellowship together at a local resort. We are always so grateful and encouraged by the true friendship and love these servants of Christ share, and we know this time meant so much to them.

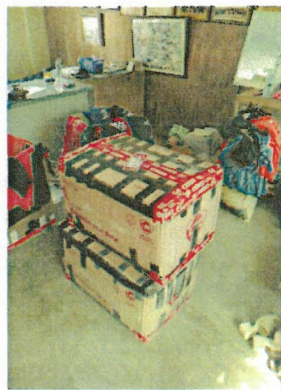

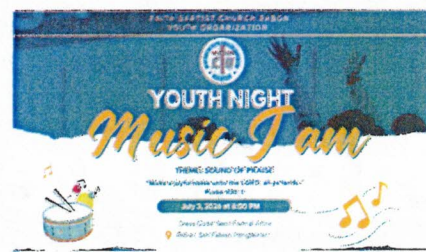

Please continue to be in prayer for our ongoing building project at the college. Dr. Danny is requesting additional funds to renovate the school buildings for the benefit of the student body.

FBC, Rabon recently hosted a Youth Music Night. The Vine's Church has held a similar event for years and has seen amazing results. Music is a huge part of Filipino culture and they especially love to praise God using their talents in instruments and song. This is part of a testimony from that night. "Every part of the program reminded us of God's goodness, faithfulness, and the joy of serving Him together.

We thank everyone who participated, supported, and made this event a memorable and Christ-centered gathering. May the truths we learned and the songs we lifted in praise continue to strengthen our faith and encourage us to live for God's glory each day."

We've often highlighted the boxes we ship to the Philippines full of VBS and Sunday School materials, Bibles and other books, gently used clothes and shoes. All of this is possible only by your generous giving and we are so grateful. Dr. Danny and other pastors will sort out the contents and they will be shared throughout our churches. Thank you for making this possible!

Rica Jeid is a young cousin of Pastor Glenn and is an active member of the church. Her mom is a single woman who works many hours, and Rica spends much of her time caring for her younger siblings. Rica loves the Lord, His house and His people, and is an encouragement to all who know her. A generous donor wanted to help a young person with their school expenses and Rica Jeid is a grateful beneficiary who takes all that is poured into her and pours it out lovingly on all those around her. She recently sang "Kay Buti Buti Mo Panginoon" (You are so good, Lord) at an anniversary service at Pastor Glenn's Church. Visit our Facebook page at Faith Overseas Mission to listen!
