

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

Enjoy Times Vol. 82 July - Aug 2026

Dear Pastor, church, and praying friend,

It has been a rather busy (and hot) summer here in Fussa. We've had several visitors and events. It is a joy to serve our Living Lord and Savior, Jesus Christ.

In July, we were happy to conduct a wedding ceremony for David and Saki. David's mother flew in from the states and Saki's family came up from the Nagasaki area. I preached a message on the covenant of marriage and also presented the gospel. I pray that His Word will not return void and will speak to the hearts of the unbelievers that were in attendance that day.

Bro. Beau and Sis. Jasmine and their family also visited us in the end of July. Bro. Beau got saved here a decade ago while he was working in Tokyo. He is now married and the good Lord has blessed his family with two children and one on the way. Bro. Beau preached for us one Sunday evening and did a fine job. It is a joy to see folks get saved and have their lives transformed by the gospel of Jesus Christ.

We also saw a young lady make a profession of faith in July. She came to our church as a first time visitor and I introduced myself to her. But she said she knew me. I asked how so? She said that she attended the Bible study we held in her dorm building several years ago. She was a single airman at the time but since then had gotten married and separated from the Air Force and was now living on base as a spouse. She remembered the testimony of Joe and Avery (young men from YBC) and how they carried a strong testimony for the Lord. So when she felt she needed to go to church, she came to YBC. I was very happy to share the gospel with her and witness her call upon the name of the Lord to be saved. Please pray for this young wife and mother.

We held a Hope for the Home Family Conference at the end of August. Pastor Mike Pinson was our guest speaker and did a great job teaching and preaching on the home. We have several newly weds and new moms and dads so the messages were timely and we trust the principles preached will leave an eternal impact on families.

Thank you for always praying for us. Thank you for the many years of financial support. Your labors of love are forever recorded in heaven and will be rewarded accordingly in the life which is to come! We love you all.
