4TH Quarter MISSION REPORT 2026

Dear Pastor & Church,

We are delighted to share the progress of our youngest mission work in **Villa Cerveza, on the island of Mindoro, Philippines**. For the past two months, we have held **regular Sunday afternoon services** while intentionally reaching both **local residents and tribal people** in the surrounding community. People remain receptive to God's Word, and we are encouraged to welcome first-time visitors.

MISSION UPDATES

*Regular Sunday Services at Villa Cerveza, Victoria

*Opportunities to reach mmore local residents and tribal people. Developing Children's Sunday School.

Our Vision:

"Making an Eternal Diference"

Our Mission:

- To REACH OUT (Evangelism)
- To HELP OUT (Discipleship)
- To SEND OUT (Church Planting)

The **chapel** you helped us build has become the **center of our worship, Bible teaching, and out-reach activities**. **What was only a dream when I visited your church about a year ago is now a place where families gather to hear the gospel**. Thank you for helping make this possible through your prayers and generous support.

With Bro. Adrian, a recent Bible school graduate

First time visitors

An invitation to receive Christ was extened after the preaching

We now have a chapel, restrooms, electricity, a water supply, a storage room, and a bamboo bridge. We also use a **temporary kitchen under a tent to prepare meals**. Our three nipa huts provide shelter for our preacher and his family, as well as ministry workers. When accommodation is limited, some volunteers sleep in tents on inflatable mattresses. These simple arrangements allow us to continue serving with grateful and willing hearts.

Our temporary kitchen

Prayer time with our volunteers on the eve of our Evangelistic

An open nipa cottage served as our volunteers' shelter for the night.

We rejoice in what the Lord is doing and recognize our accountability to Him and to you, our ministry partners. Your faithful support encourages us to **persevere in soul-winning, discipleship, and church planting**. Children attend weekly Sunday school, and we are intentionally discipling teenagers while building relationships with adults. Please pray that more people will trust Christ, that new believers will grow in their faith, and that future workers will be raised up from this community.

I look forward to sharing further progress in my next report. **We also hope you may one day visit Villa Cerveza and our other ministries in Metro Manila, the neighboring province, and elsewhere in Mindoro.** We love you in the Lord and continue praying for you and your country. Thank you for standing with us. Happy Thanksgiving in advance! To God be the glory!

Yours in Christ,

Bro. Lemuel Pagcu
