

Newsletter

“This is the LORD’S doing; it is marvellous in our eyes.”

Psalms 118:23

Sowing the Gospel. Seeing the Fruit. Building for Generations.

Project 4:32 website; you won't be disappointed

praises from a mile and a half to two miles away! I love knowing that our community was filled with the praise of the King of kings and Lord of lords.

I would love to tell you all 11 visitors showed up the next Sunday, but that just wouldn't be realistic here in Ireland. What I can tell you is that a young couple in their early 20s came back and have been coming ever since! I'm looking forward to sitting down with them and seeing where they are with Christ. Even with a bit of Irish rain, it was great seeing our church come together and serve the Lord.

You may remember Felipe and Audrey from previous newsletters. They were the first couple to be married at our church here in Tralee. About two years ago, Audrey was praying for God's direction when someone from one of our outreaches put a church flyer in her hand. She came the very next Sunday and a few weeks later accepted Christ as her Saviour. She brought Felipe with her, and it wasn't long before he also trusted Christ.

Rain, what rain?

As they grew in the Lord, they became convicted about living together and wanted to honour God by getting married. Since then, they have both followed the Lord in believer's baptism, and this past Sunday, 27 September, they officially became members of TBF! They are also both in one-on-one discipleship—Audrey with my daughter Catherine, and I have the privilege of discipling Felipe.

This is what it's all about: reaching people where they are, sharing the Gospel, seeing them saved, baptised, disciplined, and becoming part of the local church. What a blessing!

Phase 2 of Project 4:32 has now reached 45.68%, and we only need \$8,625 to reach 50%!

This month I sat down with another local realtor about finding property within Tralee. Just like the first realtor, his hopes weren't very high that we would find what we need in town. The only problem is—these two men don't know my God! I believe our God is able, and that is what we're praying for.

Please continue to pray, give, and share Project 4:32 as we seek to establish a lasting Gospel presence here in Tralee for generations to come.

Lord willing, Denise and I will be in the States 22 February–19 April and 4 October–30 November 2027. We are thankful that every Sunday during our spring furlough is now booked! We still have several Sundays available in the autumn.

We also have every Wednesday available during both our spring and autumn furloughs. If your church would like an update, or you know of a mission-minded church interested in hearing about the work in Ireland, please contact me at stewardstoireland@gmail.com. I remind our church—and myself often—that our job is to remain faithful. We cannot force the fruit, but we can sow the seed, love people, preach the Gospel, and trust God to do what only He can do.

The ground may be hard, but the Gospel seed is still being sown—and in God's timing, we are seeing fruit.

Hello friends and partners, I'm excited to write this newsletter! We're still riding the high from our Rose of Tralee Outreach, then Church in the Park, and now I get to report back on what the Lord has been doing. So, let's get started, shall we?

This year's Church in the Park was a great success! We had 11+ visitors who came and stayed for the entire service. I say 11+ because many others stopped, listened for a while, and then went on their way. In fact, a friend commented on our TBF Facebook post that he could hear us singing God's

Marie is talking to a visitor.

Project 4:32

Phase 2 is gaining ground—praise the Lord! With continued prayers and giving, we could reach 50%. Stand with us. Give. Help us build for the future.

Apparently, our Church in the Park worship could be heard nearly two miles away. Who needs a church bell when you have TBF?

- Salvation and growth of our new visitors
- Felipe & Audrey as they grow through discipleship
- Wisdom in finding the right property for Project 4:32
- Provision to reach 50% of Phase 2
- Open doors for new churches during our 2027 furlough
- Faithfulness and fruit as we continue reaching Tralee

Felipe and Audrey

“Sure look it”

A very Irish way of saying, “That's the way it is” or “We'll just get on with it.” Usually said when there's little point in worrying about something.
